## Business Management Standard Degree

**Start**

**Business Prerequisites**
- 7 Credits
  - Business Management Orientation B 100 (1 Credit)
  - Math Foundations FD MTH 108 (3 Credits)
  - English Foundations FD ENG 101 (3 Credits)

The above three classes are prerequisites for Business Fundamentals I. In addition to English and Math, you may be concurrently enrolled in other University Foundation courses while taking business classes.

Lower division Accounting and Economics classes may be accepted from transfer schools.

During freshman year, students should focus primarily on University Foundation requirements.

**Business Fundamentals I**
- 10 Credits
  - Financial Accounting ACCTG 201 (3 Credits)
  - Micro Economics ECON 150 (3 Credits)
  - Business Fundamentals I B 211 (4 Credits)

(Above courses taken in same semester)

Each student is required to have a laptop for Business Fundamentals (minimum specs).

In order to graduate in eight semesters, students should start Business Fundamentals I by their third semester (First-semester sophomore students who have not exceeded 45 credits).

**Business Fundamentals II**
- 10 Credits
  - Managerial Accounting ACCTG 202 (3 Credits)
  - Macro Economics ECON 151 (3 Credits)
  - Business Fundamentals II B 212 (4 Credits)

(Above courses taken in same semester)

**Integrated Business Core (IBC)**
- 12 Credits
  - Financial Management B 302 (3 Credits)
  - Organizational Effectiveness B 322 (3 Credits)
  - Marketing Management B 342 (3 Credits)
  - Operations Management B 362 (3 Credits)

(Above courses taken in same semester as one 12-credit course)

**Primary Emphasis**
- 12 Credits
  - Choose One: Taken in one semester
    - Supply Chain Management
    - Finance
    - Marketing

  (Check current catalog or department website for course numbers)

**Senior Capstone**
- 4 Credits
  - Principles of Business Strategy B 499A (3 Credits)
  - Business Research and Publishing B 499B (1 Credit)

**Additional Credit Requirement**

Take additional credits to meet the 120-credit university requirement. This can be taken in the form of clusters, minors, concentrations, or other relevant coursework. It is strongly recommended that students declare a cluster or minor to strengthen their employability after graduation.

University Foundations (40 Credits Total - Please refer to the University Web Site)
