Dear Students,

Scholastic has changed the way to order online. Now you will need to set up your own password and username. Please make sure to use your entire first and last name as both the parent and the child. Otherwise we will not know who you are, and we will not be able to get your books to you.

Here’s how it works:

- **SIGN UP** at [http://www.scholastic.com/home/](http://www.scholastic.com/home/). Click "Sign In" and select the “Parent” registration. Fill out the information and click continue. After you have created an account and are logged in, go to the homepage. Find the "Parent" tab on the top of the site, mouse over it, and click "Book Club Orders". **Be sure you are signing in as a parent, not a teacher.** If the sign in window says "Teacher Sign-In", click on the smaller link slightly to the right that says, "Parent Sign-In". When prompted, fill out the information. **Please put your first AND last name in the first name bar.** Enter the one-time, 5-digit, Class Activation Code FNJFD. This code ensures that your orders are sent to me.

- **SELECT** the books you’d like to order from. There are over 500 titles available online…and take advantage of online-only specials and discounts.

- **PLACE** your order by or before the due date (see below) to ensure prompt delivery. Books will be delivered directly to the English Department in Rigby 180.

  **Spring 2012 Deadlines:**
  - April 17, 30
  - May 10, 23
  - June 1, 18

Go to [http://www.scholastic.com/home/](http://www.scholastic.com/home/) now to get started. When your order arrives you will be contacted by e-mail. You may pick up your books in Rigby Hall 180. If you have any questions regarding the book orders, feel free to contact me.

Best,

**Meghan Graff**

English Department Student Secretary
