**NEWS FROM DMBA: JOIN US IN THE 'GREEN' AGE!**

Dear Member:

Remember, you can receive information electronically rather than the paper versions and snail mail you're used to! And that includes your open enrollment materials, newsletters, Explanations of Benefits, etc. So join us in going green! What's in it for you? It's fast, easy, private, and it saves money — in printing and mailing costs.

When you choose to receive information electronically, we'll send you an email letting you know your information is online at [www.dmba.com](http://www.dmba.com), including the appropriate link.

To go green, please visit the following website:

[https://www.dmba.com/sc/manageprofile/ManageEmailAddresses.aspx](https://www.dmba.com/sc/manageprofile/ManageEmailAddresses.aspx)

Or if you're happy receiving information by mail, you don't need to do anything. Of course, you can change the types of information you receive electronically at any time. Simply log in, go to "My Home Options," and follow the prompts from there.

Sincerely,

DESERET MUTUAL
