Move-in Day & Get Connected at BYU Idaho
Parents!

Now that your student has accepted their offer to BYU-Idaho, here are a few things you should know.

1. Review the New Student Checklist
   - The checklist outlines key steps your student needs to complete prior to starting classes.
   - Access the checklist online at www.byui.edu/student-support/student-checklists.

2. Review Online Parent Resources
   - Connect to the university through the parent portal at www.byui.edu/parents.
   - Your student should have received the New Student Mailer. You can also review it at www.byui.edu/student-support/get-prepared.

3. Move-In Day/Get Connected
   - You are invited to participate with your student in Move-in Day as part of Get Connected (Orientation).
   - For Get Connected dates, times and locations see www.byui.edu/get-connected.
   - Unable to travel to Rexburg? You can still participate in Move-in Day with your student by viewing the BYU-Idaho Welcome streamed live at www.byui.edu/live/video.

Deferring?
Is your student leaving on a mission? Be sure to have them defer their offer so they don’t lose their spot at BYU-Idaho. See www.byui.edu/admissions.

Online Learning at BYU-Idaho
Technology and education go hand-in-hand. This is why we recommend that your student takes one online class each semester to complement their traditional classroom courses. To learn more visit www.byui.edu/academic-discovery-center/online-learning.
