

Assessments: Availability

I-LEARN TRAINING
aligning technology with the learning model

BYU
IDAHO

Objective

To change the availability of a test that has been deployed to a Content Area.

Instructions

1. Open the desired course.
2. Navigate to the content area where the test has been assigned. Click “Edit View” in the upper right hand corner.
3. Locate the test and click the corresponding “Modify” button.
4. Click “Modify the Test Options.”
5. Under the second section, “Test Availability” select the radio button “Yes” for “Make the link available.”
6. When finished, click “Submit.”
