

Assignments: Student's Grade

I-LEARN TRAINING
aligning technology with the learning model

BYU
IDAHO

Objective

To view a student's grade for an assignment turned in and graded on I-Learn.

Instructions

1. Access the course where the assignment is located.
2. Click "My Grades" or click "Course Tools" and select "My Grades".
3. Locate the assignment.
4. "Details" will tell you information about the assignment.
5. The "Due Date" column will tell you the date that the assignment is due only if the instructor assigned one in I-Learn.
6. The "Last Submitted" column will give the student information about when the latest change was made to the assignment.
7. The "Grade" column will give the student the actual grade received for the assignment.
8. The "Points Possible" column will inform the student about how many points are possible for the assignment.
9. The "Comments" column will show the student any comments the instructor has made about the assignment.
10. To view the assignment information page click the item in the grade column.
11. The assignment turned in by the student will be seen under "Assignment Materials".
12. The grade, comments, and any files from the instructor will be found under "Feedback From Instructor".
13. Click "OK" to return to "My Grades".
