

Best of Especially for Youth

Saturday, October 24, 2009

The BEST OF ESPECIALLY FOR YOUTH Program is designed as a supplement to each Ward and Stake's Youth Programs. The presentations are tailored to the interests of young adults ages 12-18 and are given by experienced, talented, and spiritual speakers who are dedicated to helping youth strengthen testimonies and commitment to the restored gospel of Jesus Christ.

While the choice to attend this program rests with each individual, you will have the opportunity to enhance spiritual growth, strengthen your testimony, find answers to questions vital to you, gain a greater desire to serve, and enjoy the association with others holding your same ideals and values.
