

AAS in Agricultural Management (344)

Catalog Year
2009 - 2010

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University’s minimum credit requirement (120 credits for a bachelor’s degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.
- Please note the following terms: Groups = A term used on the Degree Audit to reference a required group of classes that may be pre-selected or from which you can choose; General Elective = any course offering at BYU-Idaho which you are eligible to take; Major Elective = a required course from a list of multiple course options within your major. (A certain number of “major electives” may be required for your major, but you can select which course to choose from the given list.)

Semester 1	Credits	Semester 2	Credits	Off-Track	Credits	Semester 3	Credits
FDREL 121	2	FDREL 122	2	BIO 398	1	FDREL 200	2
*FDMAT 108	3	AGTEC 220	3			FDENG 201	3

Special Instructions

*Either FDMAT 108 can be taken or you may complete test out modules with higher math course. See math departmental website.

Group 1 Electives: AGRON 122, 270, 297, 310, 321, 325, 330, 420, 425, 435, 440, 455, AGTEC 122, 124, 320 335, 360, 474, 486, ME 105

Instructions:

Now that you have seen the sample schedule for your major, please chart your own personalized plan taking into account the following: track, course availability, completed coursework, and planned graduation. Use this sample schedule, along with your degree audit, to create your plan. You can access your degree audit from your my.byui.edu portal under the Student tab, Degree Information. Once you have completed your planning, please bring this form to the Satellite Advising Center over your major so that an advisor can approve your plan and help you with any fine-tuning.
