

Brigham Young University - Idaho

Parking Rules and Regulations

BYU-Idaho has established and maintains traffic ways and parking facilities for use by faculty, staff, students and community patrons. All university buildings and grounds are governed by rules and regulation established for the purposes of maintaining safety and order pursuant to Idaho Code 49-222 and Rexburg City Ordinance #759. Those regulations listed hereafter govern the grounds, traffic ways and parking lots of BYU-Idaho.

2.0 Parking Permits

- 2.1 Required for all vehicles**
Parking Permits are required for all vehicles parking in university parking lots. Student, visitor, service, and handicap permits may be obtained from the Parking Services Office located in Kimball Building Room 150. BYU-I employees may only obtain permits online at www.byui.edu/parkingservices during renewal years, i.e., 2004, 2006. Otherwise they may be obtained in person at Parking Services.

2.2 Permit holder required to know policy

Responsibility for compliance with all parking rules and regulations is assumed by the vehicles registered owner or authorized use. It is the responsibility of the responsible party to obtain and read all such regulations. The individual receiving a permit is responsible for all violations incurred by a vehicle for which the permit is assigned, even if the vehicle is loaned and incurs a citation while loaned.

2.3 Types of permits

Types of permits, fees and periods of validity for permits have been established by the BYU-Idaho administration as described hereafter. It is the responsibility of the permit holder to assure the permit is displayed properly and visible to outside observers. To switch from one permit to another (e.g., "D" to "B"), the old permit must be scraped off and the scraping returned to the Parking Services Office. When obtaining a permit you are required to bring a current state vehicle registration form. We will automatically bill your account.

2.3.1 "A" permit

Administration, faculty, staff and retired employees are entitled to one transferable (hanging) "A" permit and as many Faculty/General decals as needed. "A" permits are valid in "A," and "B," and "D" parking lots. Permits are initially valid for three years and expire on the date printed on the permit. Part-time employees are issued permits for one calendar year. Temporary employees are issued temporary permits based on the expected length of employment and may be renewed for longer periods if employment continues. If authorized by the employee, the employee's immediate family can use the employee's "A" permit in lieu of the employee.

An "A" permit issued to a retired employee is only valid for use by the retired employee or their spouse

2.3.2 "B" permits

Students may obtain one "B" permit for vehicles to be parked on campus. The permit is \$10. "B" permits are valid for "B" parking lots only. Permits are valid until the expiration date printed on them.

2.3.3 "D" permits

Single students living in university housing (dorms) are entitled to purchase one "D" permit for a vehicle that they personally own allowing them to park in the residential lots. Married resident students may purchase up to a maximum of two "D" permits providing they own more than one vehicle. Residential permits are not valid in any other lot. "D" permit holders are not entitled to any other permit. The permits are valid for one calendar year and expire on the date printed on the permit. "D" permits are valid only while holder is living in university housing (dorms).

2.4 Visitors, vendors, and others

Community patrons may obtain genealogy, visitor, or service permits according to need. There is no charge for visitor, service, and genealogy permits. Community patron permits are valid for the period of time designated by the Parking Service Office. Visitors not directly associated with BYU-Idaho may park in “B” or “A” lots without a parking permit, but are encouraged to park in designated “Visitor” stalls. Citations issued for parking without a permit will be voided upon request. All other parking regulation apply to visitors, and vehicles may be booted or towed for recurring violations.

2.5 Government vehicles

Government vehicles with “EX” plates are treated as visitors when an official government business.

2.6 Display of permits

Permits shall be displayed according to the following instructions:

2.6.1 Decals

Decals are displayed in the lower passengers’ side of the front windshield in the lower right hand corner. Permits must be attached to the windshield. The front protective covering of the permit must also be removed so color and number of permit is clearly visible from the outside of the vehicle. Permits must be attached to the windshield using the permits own adhesive and may not be taped on or left laying on the dash board. The permit must be no less than 75% attached. It is permissible to leave a corner or small portion unattached to aid in removal.

2.6.2 Hanging permits

Hanging permits shall be hung on the interior rearview mirror post with the lettering facing to the outside of the vehicle. If no rearview mirror is present, the permit may be placed on the vehicle dashboard facing upward, next to the faculty “B” decal permit on the passenger side. These hanging transferable permits are not valid without the accompanying BYU-Idaho window decal. Temporary employees are issued a temporary permit.

2.6.3 Temporary permits

Temporary permits shall be attached according to the instructions described for hanging permits.

2.6.4 Motorcycle permits (also required for mopeds and scooters)

Permits must be placed on the exterior surface of the motorcycle, clearly visible and in plain sight.

2.6.5 State-issued handicap permits

State-issued handicap permits shall be placed in a way that is clearly visible to external inspection.

3.0 Parking Regulations

3.1 Parking permit required for all associated with university

A valid parking permit is required for all full- and part-time administrative, faculty, and staff personnel and for all full- and part-time students to park a motor vehicle in BYU-I parking facilities, including those enrolled in Continuing Education classes. Community patrons or other visitors may obtain a parking permit, if desired, from Parking Services.

3.2 Vehicle must park consistent with permit

A vehicle shall be parked only in the lots and stalls for which the issued permit is valid.

3.3 Regulated stalls

Regulated stalls are identified below. No unauthorized vehicles are permitted to park in regulated stalls.

3.3.1 Service stalls

Service stalls are identified by a painted white curb and/or a service sign. Service spaces are reserved for university-owned vehicles and/or service vehicles performing authorized university business. Enforcement is from Monday through Friday, 8 a.m. - 5 p.m. unless otherwise posted.

3.3.2 Handicap spaces

Handicap spaces are identified by a painted blue curb and a handicap sign. Only vehicles operated by or for handicapped individuals and displaying a handicap permit are permitted to park in such spaces. Stalls are enforced 24 hours a day, seven days a week. Those tampering with, misusing, and illegally possessing a handicapped permit will be referred to University Police, the Dean of Students, and/or the Personnel Office. Those with temporary health problems must bring a request from signed by a doctor specifying the health problem and duration for a university handicap permit. These permits are available at Parking Services, Kimball Building Room 150.

3.3.3 Visitor Spaces

Visitor spaces are identified by a painted white curb and a visitor sign. Such spaces are reserved for community patrons. Administrators, faculty, staff, students, and/or their immediate family are not permitted to park in these spaces.

3.3.4 30-minute parking

30-minute parking spaces are available for use by all members of the university community for a period of 30 minutes or less. Parking for longer than 30 minutes constitutes a violation.

3.3.5 No parking zones

“No parking” zones are identified by painted yellow curbs. No vehicle parking is permitted in such areas. Parking outside areas designated for parking, parking adjacent to yellow curbs, and/or outside lined stalls constitute a violation.

3.3.6 Motorcycle/scooter/moped parking

Motorcycles, scooters, mopeds, etc., may be parked at the ends of parking rows within painted triangular or rectangular areas and in designated motorcycle parking areas in either “A” or “B” lots. Motorcycles, scooters, mopeds, etc., may not park in a stall.

3.3.7 Loading/Unloading Zones

Loading zones are located at designated areas on campus and are intended for loading and unloading purposes. Any vehicle may park up to 20 minutes in a loading zone for the designated purpose of unloading. When parking for this purpose, the flashers shall be activated. Vehicles may be cited if left unsupervised for an extended period with no unloading/loading occurring.

3.4 Parking within stalls

Vehicles shall be parked entirely within painted lines when such lines are visible as nearly in proper position as possible when such lines are not visible. (e.g., covered by snow).

3.5 Impedance of traffic

Vehicles shall be parked so as to block or otherwise restricted driveways and/or traffic ways.

3.6 Motorcycle spaces

Automobiles shall not park in motorcycle spaces and motorcycles shall not park in vehicle stalls.

3.7 Overnight parking

Overnight parking (1-4 a.m.) Is prohibited in all lots except with an authorized permit (e.g., “A” and “D”) in the Pioneer and Biddulph parking lots. Overnight parking on city streets is prohibited from November 1st until March 1st.

3.8 Recreational Vehicles

Recreational vehicles may be parked on temporary basis with approval of and in a location designed by the Parking Services Office.

3.9 Parking on driveways, landscapes, etc.

Parking or driving on sidewalks or landscaped areas is prohibited except for university-owned vehicles operated in the performance of necessary duties and only when authorized by the Physical Facilities and University Police.

3.10 Fire hydrants

Parking within 15 feet of a fire hydrant is prohibited

3.11 Diagonal spaces

Diagonal spaces are provided in lots where space is limited and the direction of the flow of traffic is restricted. Therefore, vehicles shall not be parked backwards in diagonal spaces, causing the driver to enter traffic in the wrong direction when leaving the space.

3.12 Abandoned vehicles

Abandoned vehicles are prohibited on University property and will be removed at owner's expense. Any vehicle that has not been moved for more than 10 days is considered abandoned.

3.13 Repairing vehicles on campus

No major repairs shall be made on vehicles parked in university parking lots.

3.14 No large vehicles

Vehicles larger than full-sized pick-up trucks shall not be parked on campus property on a continuing basis. Contact the Parking Office for guidelines.

3.15 Exceptions/Additions

Exceptions to parking regulations may be granted by the Parking Services Office if deemed necessary. Additions to the parking regulations may only be made at the discretion of the Campus Planning Committee/Campus Parking Committee.

3.16 Enforcement

Enforcement of parking rules and regulations will be accomplished by the Parking Services personnel.

3.17 Hours of enforcement

Hours of enforcement for parking permit regulations are Monday through Friday, year round from 7 a.m. until 4 p.m. Handicap, yellow curb, no parking zones, and other regulations are enforced 24 hours a day, 7 days a week (i.e., all parking regulations will be enforced on Sunday, except the need for "A," "B," and "D" permits.)

5.0 Sanctions and Fines

5.1 Citations

Vehicles parked in violation of the University parking rules and regulations will receive a parking citation. Parking citations shall be placed on the front windshield or on the driver’s side of a vehicle.

5.1.1 Lost citations

If the citation was issued to the permit holder, the owner of authorized user, he/she is responsible for payment of all citations issued to vehicles in BYU-Idaho parking lots. If the citation was lost (Stolen or blown away), payment is still required.

5.1.2 Current parking violation fines

Beginning January 1, 2008, parking fines at BYU-Idaho will be based on the following accelerated scale. Receiving a parking citation within the past twelve months for any offence places the offender in the 2nd fine category for a subsequent citation. Receiving additional citations within the past twelve months will result in the offender moving through the 5th fine level at which time the offender will be banned from parking on campus.

Each column represents the number of citations an individual has received during the past twelve months.

5.1.5 Fine payment

Violation fines shall be paid at Cashier's Office Kimball Building Room 130. Fines cannot be paid at the Parking Services Office.

5.1.6 Unresolved Fines

Unresolved fines will result in a financial hold being placed on the transcripts of the student permit holder. Unsatisfied fines will be billed on the university accounts of employees.

5.2 Booting

Vehicles may be booted for any of the following reasons:

- a. Identification of the owner of a vehicle
- b. Unlawfully parked in handicap space
- c. Vehicles with five (5) or more paid/unpaid total citations
- d. Vehicle parked on campus after having lost his/her parking privileges on campus.
- E. For confiscation of an unauthorized or stolen permit

5.3 Loss of parking privileges

All administrators, students staff, faculty, and their dependents are limited to five (5) parking citations within the prior 12 months that are upheld after appeal. The permit is void and parking privileges are lost on the fifth citation. This policy is also applicable to non permit holders, including visitors. Failure to observe the revocation will result in towing of the vehicle.

Procedure:

A written warning will be given on the third and fourth citation by university e-mail. The student or employee will lose their parking privileges and the vehicle will be booted when the fifth citation is issued. The permit holder may have the vehicle released by personally appearing at Parking Services or Police Dispatch where a revocation letter will be personally delivered and the permit will be removed from the vehicle and delivered to Parking Services personnel. The holder can choose to appeal either the citation or the revocation. Additionally, the holder may choose to waive the right to appeal, elect to appeal at the time of release of the vehicle, or provide written notice of intent to appeal within 48 hours. The revocation of parking privileges will go into effect when the permit holder waives his or her appeal rights, when the 48 hours expires without notice of appeal, or the appeal is upheld, whichever case may be.

5.4 Towing

Vehicles may be towed at the owner's expense for any of the following reasons:

- a. Parked vehicle blocking traffic way or driveway or which constitutes an immediate hazard.
- b. Left on campus property more than 10 days and considered abandoned
- c. Impeding snow removal
- d. Parking in violation of Parking Privilege Revocation

5.4.1 Vehicles meeting the criteria for towing from university property may be towed to designate area on campus for storage. In order to be stored on university property the following criteria must be met;

- a. The vehicle must be clearly identified as property of a student or employee at the university. This may be done through license plate information or BYU-Idaho parking permit information.
- b. Parking employees will issue a parking citation for the appropriate offense.
- c. The tow charge will be billed to the student or employee's personal university account. The university will pay the tow company with monies charged to the vehicle owners account.

The purpose of this regulation is to save students and employees whose vehicles are towed the expense of substantial storage fees.

It should be noted that these regulations and towing guidelines do not apply to vehicles that are towed from City streets on or around campus.

5.4.2 Vehicles that cannot be clearly identified as property of students or employees of the university will be towed at the owners expense. The owner of the vehicle will need to contact the tow company to make arrangements for tow and storage costs.

5.5 Ticket Scam

Any tampering with citations by moving them, changing the material written on them, or altering them in any way constitutes a ticket scam. Citations may not be moved from one vehicle to another or used in any way to avoid further citations. Such behavior is dishonest and constitutes a ticket scam and will result in a citation and referral to the Dean of students Office/Personnel Services.

6.0 Appeal Procedure

- 6.1 Appeal** process students, visitors, faculty, staff and administrators desiring to appeal a parking citation shall appeal the citation online at www.byui.edu/parkingservices. All citations must be appealed within two weeks (14 calendar days) of receiving the citation or they will not be heard or considered. The appeal will be sent to the Appeals Committee for review and disposition. All appeals will be answered by email. Appellants wishing a face-to-face appeal can schedule a time when they complete the form online. Personal appeals will be given five minutes to present their case, ask questions, or request clarification. Two students, and Chairmen of the Parking Appeals Committee will hear student appeals. Two employees, and Chairman of the Parking Appeals Committee will hear employee appeals.
- 6.2 Requests for review of appeal decisions**
All decisions made by the Appeals Committee will be reviewed upon request of the appellant by the chairman of the Parking Appeals Committee. Requests can be submitted by email to parkingappeals@byui.edu. If new information is presented or the process was deemed unfair, then the appeal will be sent back to the Appeals Committee.
- 6.3 “Failure-to-display” citation voids**
Two citations in any 12 month period for “failure to display permit” will be waived if appealed appropriately. This policy applies to all students and employees.

7.0 Parking Committee

- 7.1 Appointment**
The Parking Committee has been appointed by the BYU-I Administration and charged with the responsibility of establishing and maintaining parking rules and regulations which govern university property. The Parking Committee is a sub-committee of the Campus Planning Committee and all recommendations of the Parking Committee are submitted to them for final approval.
- 7.2 Committee Chair**
The Campus Parking Committee is appointed by the administrative vice-president and the appointed members are representative of the faculty, staff, and administration of BYU-Idaho.
- 7.3 Suggestions**
Any parking suggestions may be submitted to the Parking Committee through the Parking Services Office, a member of the committee, or the administrative vice president.

8.0 Waiver of Liability

Waiver

Any person desiring to use the traffic ways, grounds and/or parking facilities of BYU-I does so at his or her own risk. BYU-Idaho assumes no liability for vehicles parked or driven on University property.
