Application Form

Your Name: ____________________________________________________________

Either on this form or as an attachment, please describe your interest in and motivation for the 2013 ESA Tour. Why do you want to go? What do you hope to learn and accomplish? What will you contribute?
ASSUMPTION OF RISK AND RELEASE AGREEMENT

I know and recognize that participation in the ESA: British & Emerald Isles tour conducted by BYU-Idaho is done on a voluntary basis without compulsion or coercion and is not a mandatory class requirement. However, if I am accepted into the ESA program, I am required to take at least three credits. I know there may be dangers and hazards with the tour and assume the risks associated with participation, including but not limited to:

Hazards associated with travel, whether by land, sea, or air including airplane, auto, or bus crashes; hazards of hiking, biking, snorkeling, and swimming, such as falls, crashes, being struck by a vehicle, drowning, or suffering physical exertion; hazards of unstable governments and related potential violence; hate crimes; illness caused by food, water, heat, cold, altitude, or contagious disease; assault, theft, or robbery; trip cancellation or change in itinerary and travel plans; acts of God; any activity I decide to participate in during free time.

I acknowledge that these hazards could cause physical or emotional harm or even death.

Knowing the risks, and in consideration for being permitted to participate, and as inducement to BYU-Idaho, I hereby, for myself, my heirs, executors, administrators, or anyone else who might claim on my behalf, covenant not to sue. I waive, release, and discharge BYU-Idaho, its agents, officers, and employees from any and all claims or liability for death, personal injury or property damage of any kind or nature, and any other claims whatsoever arising out of or in any way connected with my participation in this tour; even though liability may arise out of carelessness on the part of BYU-Idaho, including its officers and employees. This release extends to all claims of every kind or nature whatsoever, foreseen or unforeseen, known or unknown.

My signature below affirms that I have carefully read this assumption of risk and release agreement and the other terms; I understand its contents and purposes, and voluntarily agree to all the terms set forth above.

I understand and agree that BYU-I will not have medical personnel available at the location of the program. I further agree that BYU-I personnel and students are granted permission to provide and authorize emergency medical treatment, if necessary, and that such actions are subject to the Assumption of Risk and Liability Agreement which I have signed and that they shall assume no responsibility for any injury or damage which might arise out of or in connection with such emergency medical treatment. In the event of my injury or illness, I also authorize BYU-I to select a physician to administer surgical treatment or carry out such procedures as may be deemed necessary or advisable to diagnose and treat me during the course of my participation in the ESA: British & Emerald Isles Tour program.

I freely give this medical information to my directors, knowing that they will keep it in the strictest confidence.
