Acknowledgements

Special thanks go to the BYU-Idaho Press, Instructional Technology Center, Bookstore, Catering Services, Media Services, Travel Office, Scheduling Office, and Administration for support and assistance with the awards, programs, refreshments, sound and computer support, room preparations, and travel assistance for Dr. Kinkead.

Thanks also go to the Colleges of Physical Sciences and Engineering, Education and Human Development, and Agriculture and Life Sciences for funding the conference.

Additional thanks to the Society of Physics Students for staffing the registration table, to Rhonda Seamons for preparing the program, to the Physics department secretaries for organizing the refreshments, and to the judges and session chairs.

Thanks!
Brian A. Pyper, Ph.D.
Conference Chairman
