The Commission on Collegiate Nursing Education (CCNE) will perform a comprehensive accreditation evaluation visit to the Brigham Young University-Idaho Department of Nursing on February 17-19, 2016. CCNE will meet with students, faculty, administration and staff to evaluate the Department of Nursing’s accreditation status, in conjunction with the release of our 2016 Self-Study Report.

The Department of Nursing has continuously maintained its accreditation since 1957. Accreditation means that the Nursing Program meets established standards of educational quality, integrity, and effectiveness.

In preparation for the February visit, the Department of Nursing invites students, alumni, faculty, employers, clinical agencies, and the community at-large to provide written comments regarding our program.

Comments should be sent directly to CCNE by January 27, 2016 in order to be fully considered in the accreditation review. Please, submit your written and signed feedback to ThirdPartyComments@aacn.nche.edu or mail them to:
