BYU-IDAHO ONLINE OPPORTUNITIES

Brandie Miguel

As members of the Church, we are counseled to obtain as much education as we are able. For many, obtaining an education requires much sacrifice. There are others that do not have access to an education. Even so there are some that started an education, but were unable to finish due to circumstances or other obligations. BYU-Idaho offers many online options that can help you to finish the education you started or fulfill your dream of obtaining an education you never thought you would be able to achieve. Here are some inspirational and motivational words to ponder regarding the importance of an education.

1. BYU-Idaho Online Options. Visit these websites to explore what is available through:
   - Online Degrees and Certificates
