

Independent Verification Worksheet

2012-2013

Your 2012-2013 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the Student Financial Aid Office at BYU-Idaho will compare your FAFSA with the information on this worksheet and with any other required documents. If there are any differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Student Financial Aid Office at BYU-Idaho. The Student Financial Aid Office may ask for additional information. If you have questions about verification, contact the Student Financial Aid Office at BYU-Idaho as soon as possible so that your financial aid will not be delayed.
