

BFA - Two Dimensional Studies Emphasis (BA) (560-76)

Catalog Year
2012 - 2013

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include General General Elective courses to meet the credit requirement.
- Of course, personal circumstance, preference or course availability may require some adjustments. This plan is intended as a recommendation, not as the only option. As you adapt this plan, please be aware that some courses must be completed before others and should be planned accordingly.
