

BS in Automotive Technology (412-143) (Fall/Winter)

Business Management Emphasis

Catalog Year
2013 - 2014

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.
- Please note the following terms: Groups = A term used on the Degree Audit to reference a required group of classes that may be pre-selected or from which you can choose; General Elective = any course offering at BYU-Idaho which you are eligible to take; Major Elective = a required course from a list of multiple course options within your major. (A certain number of "major electives" may be required for your major, but you can select which course to choose from the given list.)

Fall	Credits
AUTO 125	1
AUTO 131	3
AUTO 132	3

Special Instructions

~ **PLEASE NOTE:** This is one possible sequence for Winter/Spring track; it is not a required sequence.

~ Automotive students must be on a winter track; if you are not on a winter track (Fall/Winter or Winter/Spring), Please see the Academic Discovery Center in Austin 106A, (208) 496-9880

A student must have completed at least 20 credits of Automotive courses before registering for AUTO 340.

B 302, B 322, B 342, B 362 constitute the "IBC" and must be taken together. You must contact Sister Staiger in the Business Management Dept. (strigera@byui.edu) for authorization

*** Complete either FDCA 201-206 if FDCA 101 course was previously taken; or complete FDWLD 201 if FDWLD 101 was taken.
