

BS in Automotive Technology (412-144) (Fall/Winter)

General Emphasis

Catalog Year
2014 - 2015

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.
- Please note the following terms: Groups = A term used on the Degree Audit to reference a required group of classes that may be pre-selected or from which you can choose; General Elective = any course offering at BYU-Idaho which you are eligible to take; Major Elective = a required course from a list of multiple course options within your major. (A certain number of "major electives" may be required for your major, but you can select which course to choose from the given list.)

| Fall | Credits | Winter | Credits | Off-Track | Credits | Fall | Credits |
|----------------------|-----------|----------------------|-----------|----------------------|----------|----------------------|-----------|
| AUTO 125 | 1 | AUTO 201 | 4 | AUTO 298 | 1 | AUTO 221 | 3 |
| AUTO 131 | 3 | AUTO 231 | 3 | | | FDMAT 108 | 3 |
