

## AAS in Welding Fabrication Technology (374) - Winter/Spring

Catalog Year  
2014 - 2015

**General Information:**

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University’s minimum credit requirement (120 credits for a bachelor’s degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.
- Please note the following terms: Groups = A term used on the Degree Audit to reference a required group of classes that may be pre-selected or from which you can choose; General Elective = any course offering at BYU-Idaho which you are eligible to take; Major Elective = a required course from a list of multiple course options within your major. (A certain number of “major electives” may be required for your major, but you can select which course to choose from the given list.)

Semester 1: Winter	Credits	Semester 2: Spring	Credits	Semester 3: Winter	Credits	Semester 4: Spring	Credits
WELD 101	3	WELD 123	3	WELD 229	3	WELD 120	3
ME 101	1	ME 231	3	WELD 280	3	ME 299	1
ME 172	3	ME 250	3	WELD 350	3	ME 332	3
CHEM 101	3	PH 105	4	*Elective	1	FDMAT 108	3
CHEM 101L	1	FDREL 121 or 122	2	FDENG 101	3	FDENG 201	3
MATH 111	2			FDREL 200	2	FDREL Elective	2
FDREL 121 or 122	2						
<b>Total Credits</b>	<b>15</b>	<b>Total Credits</b>	<b>15</b>	<b>Total Credits</b>	<b>15</b>	<b>Total Credits</b>	<b>15</b>

**Special Instructions**

\*Elective credit should be taken if the required 60 credits has not been met.

~It is recommended that the student work with transfer institution to determine transferability of courses. ME department may be able to help with substitutions.
