

BS in Physics Education (870)

Catalog Year
2015-2016

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.

| Semester 1 | Credits | Semester 2 | Credits | Semester 3 | Credits | Semester 4 | Credits |
|----------------------|-----------|----------------------|-----------|----------------------|-----------|----------------------|-----------|
| PH 121 | 3 | PH 123 | 3 | PH 220 | 3 | *PH 279 | 3 |

Special Instructions

*Take care to plan out the required PH courses, as many are fall only, on rotating schedules, etc.

**Students will need an extra 3 credits of elective to meet the 120 credit minimum requirement to graduate if they follow this plan exactly.

***There are prerequisites for BIO 305 but they are similar to PH prerequisites. Students must ask for a waiver to these prerequisites from the BIO 305 instructor, per agreement with the Biology Department.

^Per agreement with the ED department, BIO 305 will sub for the co-requisite of ED 361 for ED 304.
