

BS in Manufacturing and Supply Chain (490)

Catalog Year
2015 - 2016

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.

Special Instructions

#Students do not need to take MATH 109 if you had a strong Pre-Calculus class in high school or at another institution. MATH 110 & 111 can also substitute for MATH 109.

~B 220 is an approved substitution for FDENG 301 and is preferred for this major.

*Additional credits should be taken if the required 120 credits has not been met.
