

BS in Welding Fabrication Technology Management (474) Winter/Spring

Catalog Year
2015 - 2016

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.

Semester 1: Winter	Credits	Semester 2: Spring	Credits	Semester 3: Winter	Credits	Semester 4: Spring	Credits
WELD 101	3	WELD 123	3	WELD 229	3	WELD 120	3

Semester 8: Spring	Credits
B 361	3
Cultural Awareness	3
FDREL Elective	2
*Elective	7
Total Credits	15

Special Instructions

*Additional credits should be taken if the required 120 credits has not been met.

#It is recommended students take CHEM 101L along with CHEM 101 as this will allow them to complete Option C for the Foundation Science requirement.

**Take one course from following list: ME 299, ME 398, or B 398. If choosing the internship (398), it is recommended that it be taken during the off-track between the Jr. and Sr. year. The ME 299 option should be taken Semester 6.
