

## BS in Advanced Vehicle Systems (416)

Catalog Year  
2016 - 2017

**General Information:**

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.

#AUTO 365	6	AUTO 381	3	<i>#These courses are only offered during a winter semester. Students can take upper-division courses during their off-track or they can apply for a one-semester override if your track does not include Winter semesters.</i>			
Cultural Awareness	3	AUTO 382	3	<i>*For the Supplemental Course students can choose from the list provided in the catalog.</i>			
FDREL Elective	2	FDSCI Issues	3	<i>§Though it is not required, it is strongly recommended that you choose an area to emphasize in. This can be done by earning a minor or cluster(s) that compliment your skillset, but only if it can be completed within 120 credits. Some suggested minors or clusters include: manufacturing technology, business management, engineering, electrical engineering, or welding and fabrication. However, you are not limited to these options.</i>
