

Department of

# Foundations and Interdisciplinary Studies

Jon Linford, College Dean  
Rita Ricks, Secretary (208) 496-3351

## Associate Degree

Students who desire to transfer to another university after two years may graduate with an associate in science degree with a major in General Studies.

## Bachelor in University Studies

Students who desire to tailor their own program can graduate with the bachelor of science in university studies. The university studies degrees requires the completion of Foundations and university requirements, a minor and two clusters, or two minors and a cluster, at least 120 credit hours of which 30 must be upper division and 30 must be taken in residence.

For more information on either the associate degree or the bachelor of university studies, go to the Academic Discovery Center (ADC), Manwaring 129, or call (208) 496-9800.

## General Studies Courses

Courses listed under general studies include developmental course, studies skills, college success, and career decision making. They are open to all students as elective credit. GS-102, is a one credit block class designed to help students improve their time management, retention, note taking techniques, text book study methods, test taking strategies, and critical thinking skills. GS-105 College Success is a two credit semester long course designed to help students make a smooth transition from high school to BYU-Idaho. The GS-103 A-F study skills modules are six .5 credit online courses that are four weeks in duration held at various times during a semester. These courses include: Time Management, Note Taking, Textbook Reading, Concentration, Thinking Skills and Test Taking Strategies.

## UNIVERSITY STUDIES IS BY APPLICATION ONLY

University studies is a non-specialty degree program designed to meet the needs of students who are interested in a broad based education. This degree allows a student to design their own program. Program requirements consist of general and university requirements, two minors and one cluster, or one minor and two clusters. A cluster consists of 12-15 credits of one or more disciplines. (A discipline is a subject such as math, or English, etc.)

This degree is not designed to prepare students to compete in the job market in specific areas such as business or accounting. University studies is a degree program generally not intended for transfer; however, some graduate schools will admit students with this degree. Students who plan to attend graduate school should verify this fact before pursuing a university studies degree.

Important Note: Students should carefully evaluate their career goals and consult with an advisor before selecting this major. This major is not recommended for freshmen or sophomores. Students must meet with an advisor in the Academic Discovery Center (ADC), Manwaring 129, to complete a contract which must be approved by the Manager of Career & Academic Advising at BYU-Idaho.

## Bachelor of Interdisciplinary Studies

Students who desire to study more than one discipline can graduate with the Bachelor of Interdisciplinary Studies. This degree requires:

- Foundations (40 credits)
- Two concentrations; or a concentration and a minor; or a concentration and two clusters (60 credits)
- Electives to complete 120 credit hours, 30 credits of which must be in residence at BYU-Idaho, and 30 credits of which must be upper division from BYU-Idaho.

Approved concentrations are listed both under Interdisciplinary Studies and their respective departments. Students may not design their own concentration. Approved minors and clusters are listed under their respective departments. Custom clusters are not allowed with this degree.

The Bachelor of Interdisciplinary Studies is designed for students who wish to create an educational experience that bridges two or more disciplines (a discipline is a subject such as Math, Business, Art, or English). All concentrations include IDS 398 (Interdisciplinary Internship) and IDS 499 (Interdisciplinary Capstone). These courses must show evidence of study across the concentrations, minors, and clusters included in the degree.

## THE BACHELOR INTERDISCIPLINARY STUDIES IS BY APPLICATION ONLY.

Students should carefully evaluate their career goals before selecting this degree. All students interested in the degree must meet with an advisor in the Academic Discovery Center and complete an application. The Dean of Foundations and Interdisciplinary Studies reviews and approves applications for the degree.

For more information on the Bachelor of Interdisciplinary Studies, consult the Academic Discovery Center (129 Manwaring Center, academicdiscoverycenter@byui.edu), (208) 496-9800.

## Interdisciplinary Studies

Brigham Young University-Idaho 2013-2014

### AS in General Studies (399)

Take required Foundations courses  
No Double Counting of Major Courses

Take 32 required Foundations Credits.

**Additional Requirements:**  
Complete additional credits of your choice to equal 60 credits.

*Program Notes:*

**Total Credits=60**

This major is available on the following tracks:

Fall-Winter---- YES

Winter-Summer---- YES

Summer-Fall---- YES

### BS in University Studies (799)

Take required Foundations courses  
No Double Counting of Major Courses

Take 40 required Foundations Credits.

Complete Option A or Option B

**Additional Requirements:**  
Complete additional credits of your choice to equal 120 credits.

Choose 1 Option  
(Must have 30 upper division credits)

<i>Option A</i>			<i>Option B</i>	
<i>Complete the following:</i>			<i>Complete the following:</i>	
Minor	25		Minor	25
Minor	25		Cluster	12-15
Cluster	<u>12-15</u>		Cluster	<u>12-15</u>
	62			49

*Program Notes:*

**Total Credits=120**

This major is available on the following tracks:

Fall-Winter---- YES

Winter-Summer---- YES

Summer-Fall---- YES

## Interdisciplinary Studies

Brigham Young University-Idaho 2013-2014

### Bachelor of Interdisciplinary Studies (795)

Take required Foundations courses (40 credits)

*No Double Counting of Major Courses*

Choose 1 Option (Must have 30 upper division credits)			<b>Program Notes:</b> <b>Additional Requirements:</b> Take additional courses of your choice to equal a total of 120 credits.  *1 Concentration = 30-36 credits **1 Minor = 24 credits ***1 cluster = 12 credits
<b>Option A</b> Complete the following: 1 Concentration*    30-36 1 Minor**            24 54-60	<b>Option B</b> Complete the following: 1 Concentration*    30-36 2 Clusters***        24 54-60	<b>Option C</b> Complete the following: 2 Concentrations*    60-70 60-70	
<b>Total Major Credits=60</b> <b>Additional Elective Credits Required for Graduation=20</b>			
This major is available on the following tracks:

**Total Concentration Credits=32.5**

This concentration is available on the following tracks:

Fall-Winter---- YES

Winter-Spring---- YES

Spring-Fall---- YES

## Interdisciplinary Studies

Brigham Young University-Idaho 2013-2014

### Apparel Design and Construction Concentration (D 110)

#### Concentration Requirements

*No Double Counting of Concentration Courses - No Grade Less Than C- for Concentration Courses*

**Take these courses:**

ART 102	2
HFED 207	2
HFED 208	2
HFED 221	2
HFED 235	2
HFED 245	3
HFED 307	4
HFED 345	3
HFED 360	3
HFED 490R*	1-3
TA 362	2
IDS 398R	1-3
IDS 499	2
	31

**Program Notes:**

*Take HFED 490R for 3 credits.*

**Total Concentration Credits=31**

This Concentration is available on the following tracks:

Fall-Winter---- YES

Winter-Spring---- YES

Spring-Fall---- YES

### Child Development Concentration (D 115)

#### Concentration Requirements

*No Double Counting of Concentration Courses*

**Development Courses**

*Take these courses:*

CHILD 210	3
CHILD 300	3
CHILD 310	3
CHILD 320	3
	12

**Family/Community Courses**

*Take these courses:*

CHILD 330	2
FAML 160	3
FAML 220	3
FAML 430	3
	11

**Practicum**

*Take this course:*

CHILD 150	3
	3

*Take 5 credits:*

ECD 360 & 360L	5-7
CHILD 345	5
	5

**Interdisciplinary Courses**

*Take these courses:*

IDS 398R	1-3
IDS 499	2
	3

\*ECD 360L must be taken for 2 credits

**Program Notes:**

*This is not the best option for students who plan to teach young children. The AAS Degree in Professional Preschool Education (PPE), BS in Child Development, or BS in Child Development with PPE (2+2) are better options for students who desire to teach preschool-aged children in homes, private centers, or child care facilities.*

**Total Concentration Credits=34**

This Concentration is available on the following tracks:

Fall-Winter---- YES

Winter-Spring---- YES

Spring-Fall---- YES

**Interdisciplinary Studies**

Brigham Young University-Idaho 2013-2014

---

## Humanities Concentration (D 113)

### Concentration Requirements

*No Double Counting of Concentration Courses - No Grade Less Than C- in Concentration Courses*

Core Courses <i>Take these courses:</i>	Supplemental Courses <i>Take 12 credits:</i>	Program Notes:

#### Course Descriptions

#### Credits\*

##### GS 100 Career Exploration

(1:2:0)

Fee: \$24.00

Designed to aid in making a decision concerning a career or a major. In-depth aptitude tests are given to help students identify strengths concerning majors and careers.

##### GS 101 Principles of Personal Achievement

(2:2:0)

The capacity to determine one's success in college, and life, begins from within, from the way we see the world we live in and the attitudes we use to approach it. This course examines life from a principle's and perspective's viewpoint, then encourages an application using the many resources available across campus.

The intent is to focus on principles that produce success in college and beyond.

##### GS 102 Study Skills

(1:2:0)

This class is designed to help students improve their learning effectiveness, attitudes and motivation. Time management, memorization methods, note taking skills, textbook study methods, test taking strategies, and critical thinking are all part of the curriculum. It also provides an orientation to services and resources available to students on campus.

##### GS 103A Concentration and Memorization

(0.5:0:0)

This is a self-directed learning experience where students will learn methods of improving their concentration. This is done by students evaluating their plans of study and teaching helpful strategies. Various memorization methods are also taught which the students will then apply to their class work.

##### GS 103B Note Taking and Listening

(0.5:0:0)

This is a self-directed learning experience where students are taught how to be an effective listener and are then taught how to decrease distractions, and how to recognize lecture organizational patterns. Different note taking formats are also introduced. The students will apply these note taking methods to their present classes.

##### GS 103C Thinking Skills

(0.5:0:0)

This is a self-directed learning experience wherein analytical reasoning skills are applied to problems, i.e. verbal reasoning, analogies, trends and patterns, and mathematical word problems. The application of these skills is determined by the needs of the student at various times in their lives.

##### GS 103D Text Book Study Methods

(0.5:0:0)

This is a self-directed learning experience wherein students are taught how to analyze their text books and study them more effectively. The SQ3R (Survey, Question, Read, Recite, Review) method of studying text book will be taught. The students will then have the opportunity to try out this method in one of their own classes.

##### GS 103E Time Management

(0.5:0:0)

This is a self directed learning experience where the students are taught the importance of effective time management. The students will discover how to set short-term and long-term goals. They will be taught how to manage their time by making semester, weekly, and daily charts and schedules wherein priorities are set and carried out.

##### GS 103F Test Taking Skills

(0.5:0:0)

This is a self-directed learning experience where the students learn what their own learning style is and are taught different methods of preparing for tests according to these styles. They will also be taught various test taking hints for multiple choice, true-false, and essay type tests. A four-day test preparation method will be taught and applied to exams in their own classes.

##### GS 103J Studying Chemistry

(0.5:0:0)

Students will learn strategies for studying chemistry in this module. Among the topics covered will be: how to prepare for tests, taking effective notes, retaining information read in their text books, and solving generic chemistry problems.

##### GS 104 Pre-Campus Orientation

(1:0:0)

An online course dedicated to helping new students succeed. No matter how well you performed in high school, this course will present new and different academic challenges and opportunities for learning and growth.

##### GS 105 College Success

(2:2:0)

This class is designed to be an experiential class where students will learn various study methods and be given the opportunity to apply them. They will learn about campus resources which can help them. They will also learn what their learning style is and study strategies which apply to their style. Students will review their attitudes toward learning and, hopefully, will develop better ones.

##### GS 108A Tutor Training-General

(1-3:0:0)

Tutor training to meet student needs and national certification. Training in establishing rapport, assessing needs, teaching study habits, helping students accept responsibility.

##### GS 108B Tutor Training-Reading

(1-3:0:0)

(1-3:0:0)

Tutor training to meet student needs and national certification. Training in establishing rapport, assessing needs, teaching study habits, helping students accept responsibility.

## Interdisciplinary Studies

Brigham Young University–Idaho 2013-2014

### **GS 108E Tutor Training-Study Skills**

**(1-3:0:0)**

Repeatable Course: may earn maximum of 3 credits

Tutor training to meet student needs and national certification. Training in establishing rapport, assessing needs, teaching study habits, helping students accept responsibility.

### **GS 109A Tutor Training-Advanced**

**(1:1:0)**

Prerequisite: GS 108A

Advanced tutor training to meet student needs and national certification training in collaborative learning, learning strategies, structuring the learning experience and tutoring in specific subject areas.

### **GS 111 Introduction to BYU-Idaho**

**(1.0:1:0)**

Repeatable Course: may earn maximum of 2 credits

BYU-Idaho is founded upon true principles that are fundamental to the gospel of Jesus Christ. In this course the student will be introduced to these inspiring principles which will significantly enhance their learning and experience at BYU-Idaho. They will also come to understand the prophetic vision and mission given to BYU-Idaho and its students and how to realize those blessings in their own life.

(Fall, Winter, Spring)

### **GS 210 Leadership For Life**

**(1-3:3:1)**

Students will learn the principles and skills of effective leadership and service. Christ's example and the Gospel will be the fundamental foundation on which this course is built. The knowledge and experience gained may be used in various responsibilities throughout life such as in the family, Church, workplace, or community. Planning and carrying out a significant service activity will be an important component of this course. This course is open to all students (limited enrollment).

### **GS 290D Service-Learning Practicum**

**(1:0:0)**

Upon the recommendation of a faculty member or in conjunction with a person's coursework, a student may earn one credit by serving 30-35 hours at an agency or service site, attending 2-3 reflection sessions, and writing four, one-page papers that connects their service experience with their coursework. The credit is repeatable and grading is on a pass/fail basis. Interested students may learn more by contacting Doug Ladle, Faculty Coordinator of Service-Learning, Taylor 202A.

### **IDS 398R Interdisciplinary Studies Internship**

**(1-3:0:0)**

Repeatable Course: may earn maximum of 6 credits

The internship should reflect the interdisciplinary nature of the student's degree. Admission to the class is by application to the Office of Foundations and Interdisciplinary Studies. Applications are available through the Academic Discovery Center. Students must obtain an internship and be enrolled in the course within the first three weeks of the semester; complete reports and evaluations; and work a minimum of 90 hours per credit hour with a minimum of 7 hours per credit hours each week.

(Fall, Winter, Spring)

### **IDS 499 Interdisciplinary Capstone**

**(2:2:0)**

Students will create an approved capstone project or paper to showcase the skills and competencies developed in their interdisciplinary major. Senior students will work closely with a professional mentor, faculty advisor, and/or peers to develop a project or research paper that demonstrates the fusion of their undergraduate coursework and experiences. Projects and papers should be significant and relevant to the student's academic or career objectives. Students in this course will demonstrate senior-level proficiency in research, visual communication, writing, and presentation skills.
