

AAS in Architectural Technology (345)

Catalog Year
2009 - 2010

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.
- Please note the following terms: Groups = A term used on the Degree Audit to reference a required group of classes that may be pre-selected or from which you can choose; Elective = any course offering at BYU-Idaho which you are eligible to take; Major Elective = a required course from a list of multiple course options within your major. (A certain number of "major electives" may be required for your major, but you can select which course to choose from the given list.)

Semester 1	Credits	Semester 2	Credits	Off-Track	Credits	Semester 3	Credits
ARCH 100	3	ARCH 110	3	**CONST 398R	2	*ARCH 210 or 270	3
CONST 120	3	*ARCH 260 (180) or	3			*ARCH 260 (180) or	3
#Choose one: ART 101 or	2-3	*ARCH 160 (200)				*ARCH 160 (200)	
ART 102 (2 cr)		PH 105	4			*ARCH 280 or 300	3
FDENG 101	3	^FDMAT 108	3			CONST 260	3
Math 111	2	FDENG 201	3			ENG 319	3
FDREL 121 or 122	2	FDREL 121 or 122	2	FDREL Elective (online)	2	Tech Elective	2
Total Credits	16-17	Total Credits	18	Total Credits	4	Total Credits	17
Semester 4	Credits						
*ARCH 210 or 270	3						
*ARCH 280 or 300	3						
CONST 330	3						
Tech Elective	3						
FDCNC 250	2						
FDREL 200	2						
Total Credits	16						

Special Instructions

#ART 110 (3 cr) recommended for transferring in Architecture.

*Both courses will be required, but are taught every other semester; course taken will depend on your track. Course numbers will be changing as of Fall 2010 (ARCH 160 = ARCH 200; ARCH 260 = ARCH 180).

**CONST 398R Internship needs to be taken during the off-track semester.

^Students will need to either take FDMAT 108-Mathematical Tools for the Real World (3 cr) or FDMAT 108T-Math for the Real World Test (1 cr) to complete the Quantitative Reasoning Requirement for Foundations. The prerequisite for FDMAT 108T will be the successful completion of any FDMAT course. If a student chooses the FDMAT 108T option, the department recommends that students majoring in Arch Tech and planning on transferring in Architecture, choose FDMAT 112-Calculus as the prerequisite for FDMAT 108T. Please see the Math homepage for more information on the Quantitative Reasoning requirement(<http://www.byui.edu/MATH/Foundations/foundations.htm>).

Instructions:

Now that you have seen the sample schedule for your major, please chart your own personalized plan taking into account the following: track, course availability, completed coursework, and planned graduation. Use this sample schedule, along with your degree audit, to create your plan. You can access your degree audit from your my.byui.edu portal under the Student tab, Degree Information. Once you have completed your planning, please bring this form to the Satellite Advising Center over your major so that an advisor can approve your plan and help you with any fine-tuning.
