

BS in Physics Education (870)

Catalog Year
2012 - 2013

General Information:

Academic Advising has provided a **recommended graduation plan** for every major we offer.

- This plan is built to meet the University's minimum credit requirement (120 credits for a bachelor's degree and 60 for an associate) in 8 semesters or less. Each plan includes all required courses, including Foundations and major as well as emphasis, minor or clusters (if applicable). The plan may also include elective courses to meet the credit requirement.
- Please note the following terms: Groups = A term used on the Degree Audit to reference a required group of classes that may be pre-selected or from which you can choose; General Elective = any course offering at BYU-Idaho which you are eligible to take; Major Elective = a required course from a list of multiple course options within your major. (A certain number of "major electives" may be required for your major, but you can select which course to choose from the given list.)

Semester 1	Credits	Semester 2	Credits	Semester 3	Credits	Semester 4	Credits
PH 121	3	PH 123	3	PH 220	3	PH 279 (W/S)	3
**PH 127 (F only)	4	MATH 113	3	PH 250	1	ED 304	3
PH 150	1	ED 200	2	ED Minor	3	ED Minor	3
*FDMAT 112	4	FDENG 101	3	FDSCI Issues	3	FDSCI Issues	2
FDSCI 101	2	FDAMF 101	3	FDENG 201	3	FDHUM or FDWLD	2-3
FDREL 121 or 122	2	FDREL 121 or 122	2	FDREL 200	2	FDREL Scripture	2
Total Credits	16	Total Credits	16	Total Credits	15	Total Credits	15-16
Fall Semester	Credits	Winter Semester	Credits	Fall Semester	Credits	Semester 8	Credits
PH 311	3	PH 314	3	PH 403	3	ED 492	10
ED 361	3	ED Minor	3	PH 411	3		
ED Minor	2	ED Minor	3	ED 461	3		
ED Minor	3	#FDINT or FDWLD	2-3	ED Minor	3		
*Choose one:	1-3	FDCNC	2	SPED 360	2		
FDMAT 108 (3 cr)		FDREL Elective	2	FDREL Elective	2		
FDMAT 108T (1 cr)							
FDREL Scripture	2						
Total Credits	14-16	Total Credits	15-16	Total Credits	16	Total Credits	10

Special Instructions

~Students not on a fall track (fall/winter or spring/fall) will need to contact the Physical Sciences & Engineering Academic Discovery Center, Austin 106C (208-496-9880) to declare Physics Ed as a major. They will also need to meet with them during the beginning of their fourth semester to either apply for Fast Grad or have their track adjusted.

*Students will need to either take FDMAT 108-Mathematical Tools for the Real World (3 cr) or FDMAT 108T-Math for the Real World Test (1 cr) to complete the Quantitative Reasoning Requirement for Foundations. The prerequisite for FDMAT 108T will be the successful completion of any FDMAT course. Please see the Math homepage for more information on the Quantitative Reasoning requirement (<http://www.byui.edu/mathematics/fdmat108>).

**If not on a Fall track, PH 127 can be taken at a later Fall, as it is not a prerequisite for other courses.

Instructions:

Now that you have seen the sample schedule for your major, please chart your own personalized plan taking into account the following: track, course availability, completed coursework, and planned graduation. Use this sample schedule, along with your degree audit, to create your plan. You can access your degree audit from your my.byui.edu portal under the Student tab, Degree Information. Once you have completed your planning, please bring this form to the Satellite Advising Center over your major so that an advisor can approve your plan and help you with any fine-tuning.
