Introduction

The Department of Art offers studies in the following areas of emphasis: art education, art history, book arts, ceramics, drawing, graphic design, illustration, painting, photography, printmaking, sculpture. These emphasis areas are designed to provide preparation for a professional career choice as well as personal artistic enjoyment.

Notes:

1. Art 101, Introduction to the Visual Arts, should be taken by all Art Majors their first year.
2. The following are additional art courses, available to Art Majors, that do not require prerequisites: Art 110, Art 117, Art 130, Art 201, Art 202, Art 220, Art 280, Art 297, and Art 336.
3. Art 297, Art Seminar, is required to be taken a minimum of four separate semesters. It is recommended that three of these be completed during the freshman and sophomore years.
4. All declared Art Majors, with the exception of Art History and Art Education, are automatically admitted into the Studio Bachelor of Art Degree.
5. Admittance into the Bachelor of Fine Art Degree (BFA) is through a portfolio review at the end of the sophomore year. Reviews for the Fall/Winter tracks are held in March. Reviews for the Winter/Summer track are held in November. Reviews for the Summer/Fall track will be held in July.
6. A minimum GPA of 2.7 in major courses is required for an Art degree. No 'D' credit will be accepted in Art classes.

7. Students studying Art History are required to take a foreign language cluster. Student may choose any of the clusters offered through the Foreign Language Department. However, for those planning to pursue graduate studies in Art History, a cluster in German is strongly recommended.

All information in the Art section of this catalog is subject to change. Please work closely with the College of Performing and Visual Arts Academic Discovery Center (MC 376) in planning your course of study and in your preparations for graduation. Not all upper division courses are offered every semester.

Admission Process

BYU-Idaho Department of Art has an open enrollment policy for all freshmen and transfer students. Students are initially considered Art Majors by declaring so when submitting the application to BYU-Idaho. During the sophomore and/or upon completion of Art 101, 110, and 117, Art Majors are asked to visit the Academic Discovery Center for the College of Performing and Visual Arts. The purpose of this visit will be to receive advice on degree planning options that include: Whether to pursue a BFA or BA degree, selecting an area of emphasis, and how to plan for graduation within the credit limits set by the University. Visiting the Academic Discovery Center within the first 3 semesters will help students better understand options, help students plan his/her degree more efficiently, and avoid compounded problems during the final semesters.

Students who wish to change their major from Art to another discipline will have the option to receive a Cluster in Art Fundamentals or be able to use art credits in another standard degree. This will enable students to count their Art courses toward graduation. The Art Fundamentals cluster will include the following courses:

- Art 101 – Introduction to Visual Arts
- Art 110 – Drawing 1
- Art 117 – Design and Color
- One upper division Art History course (Art 301, 302, 303, 304, 305, 306, 307, 308, 401, 402, 403, 404, or 407)
